Eucharistic Moments for January Were the elements of Eucharist simply symbols, inventions of our own spiritual creativity and desire, they would pose no threat. Since they are the power and presence of God, they will change the one who consumes them. When we say "AMEN" as we receive the proffered host and chalice, we better be prepared to live an eternal life. We need to be careful when we approach the Eucharist. From Bishop Robert Baron, **THIS IS MY BODY**

Pro-Life Corner For all Christians: May we live out our baptismal call to proclaim the Gospel of God's love and the dignity of every human life.
